

Certificate of Approval

This is to certify that the Management System of:

W. L. Gore & Associates, Inc.

555 Paper Mill Rd, Newark, DE, 19711-7513, United States

has been approved by LRQA to the following standards:

ISO 14001:2015

Approval number(s): ISO 14001 – 00039879

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Design, manufacture and sale of high-performance materials and components, including sealants, filtration solutions, PTFE- and polymeric products, electrical interconnects, capacitors, and functional composite membranes for aerospace, electronics, medical, pharmaceutical, automotive and consumer applications.

David Derrick

Regional Director, UKAM

Issued by: LRQA Limited

Certificate Schedule

Location	Activities
W.L. Gore & Associates, Inc. Paper Mill West (PMW) 555 Paper Mill Rd, Newark, DE, 19711-7513, United States	ISO 14001:2015 Design, manufacture, and sale of electrical cables and components including interconnects, cables and cable assemblies, film capacitors and capacitor modules for use in communication, industrial, commercial, and military aerospace markets.
W.L. Gore & Associates, Inc. Gore Performance Solutions (GPS) W.L. Gore & Associates, Virtual Headquarters, United States	ISO 14001:2015 Provide management and oversight of the Environmental, Occupational Safety and Health (EOSH) Management System for all plants included within the certification scope.
W.L. Gore & Associates, Inc. Fair Hill (FH) 101 Lewisville Rd., Elkton, MD, 21921, United States	ISO 14001:2015 Design, manufacture and sale of: - Filters and Laminates used in Military, Industrial, Liquid and Air Filtration Applications - Cable and Cable Assemblies, interconnects and material products for use in Communication, Industrial, Commercial and Aerospace military markets worldwide
W.L. Gore & Associates, Inc. Elk Mills 2 (EM2) 402 Vieve's Way, Elkton, MD, 21921, United States	ISO 14001:2015 Design, manufacture, and sale of PTFE and polymeric-based PharmBIO products for regulated industries, including medical device components, biologics/pharmaceutical manufacture, and packaging.
W.L. Gore & Associates, Inc. Appleton East (APE) 201 Airport Road, Elkton, MD, 21921, United States	ISO 14001:2015 Design, manufacture and sale of sealants, guitar strings, reflective and aerospace materials for the electronic packaging, industrial, commercial and aerospace industries, with process and product development supporting clean energy and other Gore-related sectors
